LEARNING RESOURCES

Print periodicals available in Learning Resources are listed alphabetically by title. Some titles are located at the Peoria Campus Library and are noted in the list. Periodical indexes and newspaper holdings are listed separately as well as within the main holdings list. Holdings for each title are indicated by the volumes and dates available or for a specific period of time. Check with the reference librarian for current indexes available in the library.

Learning Resources subscribes to several periodical databases through the ICC web page. Full-text journal articles are available through several of these indexes. Search by title or subject using the E-Journals link on the Library web page.

Some print periodicals have continuing subscriptions, and some subscriptions have cancelled/or stopped sending issues and will show only the dates the Library owns. Either one will be indicated at the right of each periodical title. (examples shown directly below):

2 Years + Current	(continuing subscription)
or	
Jan 2008 - Dec 2012	(inclusive dates)
